

Providing victims of sexual abuse and their families with our state-of-the-art psychotherapy services regardless of their ability to pay is the keystone of our mission. Over 70% of the 2,000 victims and families we annually serve require either partial or complete subsidies **from us** for their treatment.

Now that health insurance is required, many of our clients have taken on huge deductibles to be able to afford their monthly premiums. And with slashed government funding and corporate and foundation support becoming extremely competitive, SOAR relies heavily on the generosity of the community more now than ever before for the funds needed so that no one is ever turned away simply because of a lack of money.

Thankfully, this hasn't happened yet but we need the generous support of donors like you to keep it that way.

Your donation is tax deductible to the fullest extent allowed by law and you will receive a timely receipt for your gift for tax purposes. You'll also receive a heartfelt "THANKS!" from SOAR for taking the time to care and for making a difference in the lives of children, teens, and adults victimized by sexual abuse.

You can make your donation online by clicking the DONATE NOW button. Or, if you would prefer, you can mail a check made out to SOAR, Inc. to:
